

The Opera Foundation *for young Australians* 2020 Auditions Postponement

Things are moving quickly in Australia with government and organisational policies changing rapidly to address public health issues in relation to coronavirus (COVID-19). There is global uncertainty which is causing instability.

Health and Safety is our number one priority and we are conscious to take measures to prevent the spread of COVID-19. With this in mind, the Board of the Foundation has made a decision to **postpone our 2020 Auditions to a date later to be confirmed.**

Some of the venues booked for the Auditions are no longer able to provide a place for us to hold the Auditions, which is also another factor in the equation.

Please note that we appreciate and acknowledge all the work that you have put into your applications and this has not been wasted as we will be keeping that information safe and can use it when we hold our Auditions at a later date. A clear outline of this process will be provided once the dates have been reset.

No payments have been deducted from your credit cards so you can be rest assured that you have not been charged for your Audition.

Thank you for your patience and we will keep you updated of the rescheduling.

Best wishes,

Alison Cole
Executive Director
